

A young boy with short brown hair, wearing blue swim trunks, is sitting on the white edge of a swimming pool. He is seen from the back, looking out at the bright blue water. The pool's surface is covered in ripples, and the background is a clear blue sky. The overall scene is bright and sunny.

# ***Can the virus that causes COVID-19 spread through pools and hot tubs?***

***According to the CDC, "There is no evidence that the virus that causes COVID-19 can be spread through the use of pools and hot tubs. Proper operation, maintenance, and disinfection (e.g. with chlorine or bromine) of pools and hot tubs should remove or inactivate the virus that causes COVID-19."***
